

Please write
down the pain
point for which
you are looking
for a solution

What has your management promised
that you need to deliver?

From the Operational Point of View

Management Sold What?

People, Purpose, Progress | AMCs Engaged

July 20, 2022

Presented by

Fran Rickenbach, CAE, IOM
President

Roxy West, CAE
Management Executive

MEi
Management Excellence Inc.

Management Expertise Inspiration

Learning Objectives

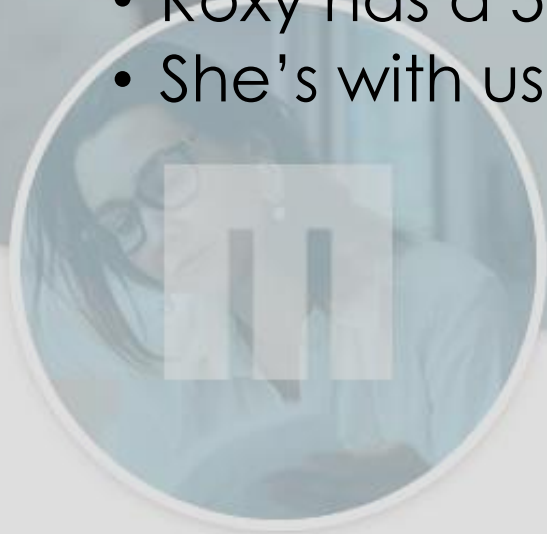

1. Identify the underlying goal of a proposed project to ensure that the deliverables DO meet the goal
2. Develop important skills to manage your manager – and ensure that you can deliver an appropriate result
3. Assess options to provide optimal return on your investment of time – including those your manager may not know about or have considered.

About MEI's Sweet Spot

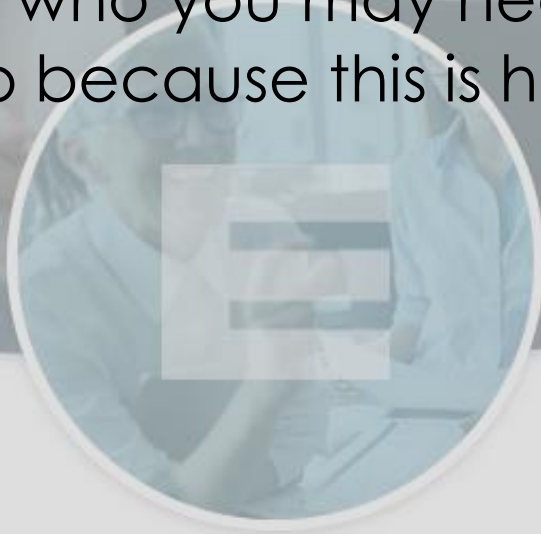

MEI

Management Excellence Inc.

- Smaller Associations
- No cookie cutter solutions
- Very personable
- Absolute respect for work/family boundaries
 - Roxy has a 5 year old who you may hear in the background
 - She's with us on video because this is her family camping week.

Agenda

Case studies:

Learning Library
ePoster/on demand

Crowd source

Share your solutions

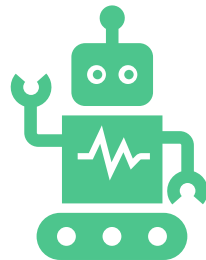

Learning
Library...
when you can't
spend \$25K

Overview

Potential of 10,000+ individuals requiring contact hours for recertification

Needed to provide instant gratification (untouched by human hands)

Scalable as new programs are added

Case Study 1

- <https://vimeo.com/722726284>

Novel uses of current technology

Overview

ePoster technology

Evolution to enhanced solutions

Cost effective (and loved by clients!)

Case Study # 2

- <https://vimeo.com/722719756>

It's your
turn now!

Let's help
each other

Look at the pains you all shared

- Each table either pick a pain posted OR
- Pick a new pain
- Share your knowledge OR
- Talk about how to manage your manager

- We'll conclude with a brief report from each table

Thank you!
